SCHOLARSHIP INFORMATION

Purpose: *The Our Saviour's Lutheran Church (OSLC) Scholarship is an award from the OSLC Educational Trust Fund, which was established to facilitate and advance the fulfillment of the charitable purpose for which Our Saviour's Lutheran Church exists, in this case by providing financial assistance to qualified persons who would use their education to serve Jesus Christ. The applicant need not intend to pursue a church profession or religion-related major in school.*

Nature and amount of the scholarship award: *One or more awards of a minimum of \$1500 per person for the 2022-2023 academic year will be made to one or more qualified applicants for use in enrolling as a full-time student in an accredited college or university, which may or may not be in the State of Utah. The money should be applied directly to the costs of higher education, such as tuition, fees, books, lab materials, room and board. Scholarship recipient(s) will be selected by the OSLC Scholarship Committee and will be recommended to the OSLC Council, which will make the award(s) to the successful applicant(s).*

Qualifications: *Successful applicants must be actively engaged as members of any Lutheran congregation and reside in the State of Utah. They must demonstrate good character and respect for church and society. The applicant must be a high school graduate (or anticipate being a high school graduate at the time the award is made) with a cumulative grade point average of at least 3.00. They should be able to demonstrate both the academic potential for higher education and financial need to achieve their educational goals. They should be able to explain how their higher education will support their service to the ministry of Jesus Christ.*
